ELITE WHOLESAL GROUP

Elite Wholesale Group is your trusted partner in the wholesale and distribution of quality, affordable chemicals and related products.

EWG is based in the beautiful and resource-rich country of Namibia. With a commitment to providing high-quality chemical products and related supplies, EWG is a leading, dependable partner in serving the mining, construction, paint, industrial and cleaning industries.

We emphasise quality, affordability and reliability and therefore have become a preferred choice for businesses looking for premium chemical solutions.

ABOUT OUR COMPANY

Elite Wholesale Group is a Namibian-owned business that prides itself on the wholesale and distribution of quality and affordable chemicals to supply a wide range of markets both locally and internationally.

We have an extensive range of products to suit all industry requirements. With a number of years in the industry, EWG has a proven track record of providing its customers with the products and services they need to succeed.

MISSION & VISION

OUR MISSION

EWG is committed to providing its customers with quality products and services at competitive prices. Our products are sourced from leading manufacturers and our distribution network operates efficiently to ensure our customers have access to the products they need when they need them.

WE WANT TO BE KNOWN FOR

- **Providing superior chemical and related products that meet our clients' needs.**
- **Forging long-term customer relationships with suppliers and clients based on trust and integrity.**
- **Excellent customer service and high-quality products.**

OUR VISION

To be the leading wholesale and distribution company in Namibia and to contribute to the growth and development of Namibia's industries by offering sustainable, affordable and practical solutions. We don't just want to be a supplier; we want to be a catalyst for progress and positive change.

CORE VALUES

- **Exceptional Quality:** We are known for the quality of our products, ensuring the satisfaction and safety of our customers.
- **Customer-Centric Approach:** Our clients are valuable to us, and we always ensure we offer professional efficient service as well as provide customised solutions that meet their needs.
- **Ethical Integrity:** As a business we always conduct ourselves honourably and ethically and are fully transparent in all our dealings.
- **Exciting Innovation:** We are committed to continuously improving and reworking products and services to ensure we are giving our clients the best.

OUR

PRODUCTS & SERVICES

EWG's team of experienced and knowledgeable professionals are dedicated to providing its customers with the highest level of service. EWG works closely with clients to understand their specific needs and provide them with the best possible solutions.

MINING

We offer a wide range of mining chemicals that ensure maximum efficiency without jeopardising safety. With our broad line of quality chemical products and alliances with local and international suppliers, EWG is a vital partner in the mining industry.

CHEMICAL/CLEANING

We are a distributor of both industrial and specialty chemicals and ingredients that cater to households, industrial areas and institutions.

PAINT/INDUSTRIAL

We distribute chemicals for high-strength adhesives and various chemicals used in the manufacturing of high-quality paints

AGRICULTURAL

We provide comprehensive animal agribusiness product offering tailored to suit your needs. Our product portfolio includes animal nutrition and animal health.

WATER TREATMENT

We distribute water treatment chemicals that can help neutralize and remove toxic materials for safer reuse in multiple applications.

HAZCHEM

We distribute dangerous goods and Hazmat/Hazchem products.

FOOD

We have a wide product portfolio and work with the best ingredient manufacturers in the industry. We serve all market segments – Dairy, beverage, meat and functional food.

CONTRACT MANUFACTURING

We can manufacture various Blends, Finished Products/Blends for Specific Industries.
